2. Discussion opened on next year's mart. John Wagner updated us that the fee from his church in Munster is actually \$250 + \$15/hr custodian fee. May 2020 appears to be booked. Motioned and seconded for John to commit for an earlier Saturday in April, or

anytime in May with the exception of memorial-day weekend (the Saturday to avoid is May 23).

3. Dr Adad reported details from Tiebels on accommodating our club for the Christmas dinner. In addition brought information from and in fact recommendation for Great Oaks banquet hall in Cedar Lake, IN. A change for the banquet this year would be a 1st Wednesday (instead of our normal 2nd Monday-of-month meeting schedule) due to schedule conflicts. Motioned and seconded.
4. President Tiemens reported brief news from the national on departure of national president.
5. Fred Schrum reported the possibility of donating a period-clock for a local well-known restaurant Round-the-Clock. Dimensions discussed. Our chapter can use this as advertising with a plaque. Several members offered to bring in a donation candidate so we can pick the donation next month.

Show & Tell [K]

Paul Kwiatkowski shared a hand-built early-technology quartz LCD movement with soldered-components, cased as a pocket-watch. The dial is emblazoned with the Polish Eagle. A very-custom watch hand-built by Paul. Nice.

Due to the unexpected meeting-location change today the pocket-watch balance-staff work shared by Norm Krueger was postponed until next month.
