Old & New Business:

1. Regarding the April Mart: check in amount of \$250 for rental of mart-location was reported as issued. Don Hill suggested placing mart-flyers at County visitor center and vintage shops. Several members took fliers to distribute to local shops.

5. Fred Schrum offered watch batteries to club members.
6. Norm Krueger reminded us of the project-in-progress to replace the balance-staff in an Elgin pocket-watch. Norm expressed his gratitude for the club-gift of \$50 which was a small token of appreciation for the training he has and continues to share with us.
7. Regarding the abrupt movement of our meeting location, several members offered to look into alternate locations for future meetings. Harry will look into his local school, Don Hill will look into his church, John Wagner will seek to re-establish connections with the new custodians of the Town Center where we have been meeting most recently.
