Meeting was called to order at the St John Township Center at 7:00 PM by President Jerry Tiemans and opened with the Pledge of Allegiance.

Minutes read from last meeting and accepted by vote.

Thought for the day offered by John Wagner: *Coming together is a beginning, Keeping together is progress, Working together is success*

Much discussion was had on sponsoring an informational. Several options were available: in Chesterton, Merrillville, and Portage. It was decided by vote to have an informational on Saturday, August 21, 2021 at Portage. We will generate flyers and Paul Jancarich will distribute at local businesses. The reasoning for the informational was based on our decision to NOT have a mart in 2021.

Ideas were bantered on teaching activities for next month: possibilities is gear-tooth replacement.

Discussion on retaining officers. A motion was proposed by John Wagner, as an incentive for President's office, is to have the chapter pay the annual National dues for the sitting president. The motion was seconded by Harry Murray and passed by vote.

**Show and Tell - V**

Paul Kwiatkowski brought in a VULCAN womens mechanical watch, swiss-made.

Meeting adjourned 7:30PM followed by a special presentation by Paul Kwiatkowski of unusual beautiful watches. Among them was a tourbillon and a minute-repeater which rang the hour, the quarter-hour, and the minutes past the quarter-hour. An Arnex pocket-watch with an alarm music-box has complications which animate a damsel drawing water from a fountain, and a gentleman raising a hawk on his arm while his horse lowers his head to drink water from the fountain. Even the water was animated. What a beautiful display.

One of Paul's watches.
