 Freedom Plains Presbyterian Church
 1168 Route 55, Lagrangeville, NY 12540

First, I want to thank Karl Burghart for coming down from Chapter 40 to do his presentation on mainsprings. What an education! I can't wait to try out his cleaning/oiling approach using brake cleaner, Triflow(Teflon) and Mobil 1. I've never been really happy with Keystone mainspring oil. And Karl's method seems so logical. Plus with all his experience behind it, I'm convinced!

Now it's time for our annual **Holiday Party** on Saturday, **December 10**. It's a great time to get together with our many friends who share our passion for clocks. Be sure to bring any other friends you have who might be interested in developing a new passion. All are welcome. In addition to our standard breakfast, we'll also have our sub'n'salad luncheon (only \$2 extra), so bring your appetite. We will have a short annual meeting at which time we will elect officers for the following year. Be thinking about anyone (including yourself!) you would like to nominate for any position and let me know. Then we'll have a show'n'tell before we eat, so bring your interesting clock/story! **Also, it's time for our annual dues (\$9), so please include that in your payment below.**

Let us know any topics you would like to see covered at the February workshop. And December is the time to be deciding about taking one of the clock classes starting in January ... or convincing a friend to do so. We've had great turn out at both beginners and advanced classes. Bill, Mike and I will have all the information at the meeting. It's easy to sign up, and you'll learn a lot in the classes while having fun.

See you in December! Jim
