

Mid-Hudson Chapter 84, NAWCC

=== Saturday, June 10, 2017 ===
 Freedom Plains Presbyterian Church
 1168 Route 55, Lagrangeville, NY 12540

Our thanks go to George Vasu for his interesting presentation of his numerous German wooden works. I always find it fascinating to learn more about a historical line of clocks, and George did a great job of lining them up and taking us through their history.

Ruth Wally sends her thanks to all the members who showed up after our last meeting to buy many of her remaining clocks and supplies. She commented on how much she enjoyed having all of us clock guys over and what a great bunch we are. I have to agree. I bought some parts and supplies and a cute little French clock with a pleasant bell that strikes the hour. I'll enjoy restoring it.

We have a real treat for our **next meeting on June 10**. Peter Elmendorf, president of Rip van Winkle Chapter 40, will be presenting to us on "How to make money repairing clocks and lose money buying and selling antique clocks." Peter has many years of experience in both of these areas, so I think you will enjoy his insights. And be sure to bring guests along who might be interested in exploring getting in to the clock world.

Be thinking ahead about our annual picnic on July 8 ... especially about what you would like to bring for show-n-tell.

See you on June 10

Jim
