 Freedom Plains Presbyterian Church  
 1168 Route 55, Lagrangeville, NY 12540

Hello everyone. I think everyone enjoyed the picnic. Great weather. Plentiful, good food. Plenty of clocks and supplies for sale. But the best part was visiting with everyone, especially with friends from other chapters. And it was so nice seeing so many friends and acquaintances at the national convention, too. I enjoyed the tours at the national headquarters in Columbia, the many lectures and meetings of the international chapters (I won a pretty little carriage clock at the carriage clock chapter meeting and became their newest member). And the size and diversity of the mart was amazing. Lu Sadowski, thanks again for your hard work!

Now, for our **October 13 meeting**. Due to overwhelming popular demand (hey, stop laughing), I'll be back with the second half of my European presentation: **Travels Along the Black Forest Clock Road**. You'll see plenty of clocks that are in Black Forest museums, but also, the often quaint, rustic environment in which they were produced. And I'll have some interesting comments about the modern day Black Forest, including my meeting with Reinhardt Herr at the Hubert Herr clock factory in Triberg.

Remember that the fall clock classes will be starting on Thursday, September 27 in the technology classrooms at Van Wick Junior High School, 10 Hillside Lake Rd, in the Town of Wappinger. Contact me or Mike Graham about signing up, or just show up in September. Or stop by any time to see what the classes are like. We enjoy having visitors.

On a personal note, I'd like to thank those who attended Marty Charlop's grave-side service. It was a nice send-off for a great guy. Many of us will remember him fondly. Marty's lady friend thanked us for attending and expressed how important the chapter and clock class were to him.

Have a great fall and see you in October ... Jim
