

# Mid-Hudson Chapter 84, NAWCC

<http://new.nawcc.org/index.php/chapter-84-mid-hudson-chapter-84>

=== Saturday, December 8, 2018 ===  
 Freedom Plains Presbyterian Church  
 1168 Route 55, Lagrangeville, NY 12540

Modesty aside, I think everyone enjoyed my presentation on the Black Forest Clock Road. If you are ever traveling in Southwest Germany I highly recommend visiting the Black Forest (a lot to do there) and taking a couple days to travel the Black Forest Clock Road. I have a few extra maps left and will be glad to answer any of your questions.

Next is our annual **Holiday Party** on Saturday, **December 8**. It's a great time to get together with our many friends who share a common passion ... finding and restoring those beautiful historical works of functional art we call clocks. Be sure to bring any other friends you have who might be interested in developing a new passion. All are welcome. In addition to our standard breakfast, we'll also have our sub 'n salad luncheon (only \$2 extra), so bring your appetite. We will have a short annual meeting at which time we will elect officers for the following year. Be thinking about anyone you would like to nominate for any position and let me know. Although we won't have a regular presentation, we are always open to having a short one, or a show 'n tell. **Also, it's time for our annual dues (\$9), so please include that in your payment below.**

Be thinking about a workshop demo you would like to give at our February workshop meeting. Everyone has so many great ideas and skills that they could share with us. And December is the time to be deciding about taking one of the clock classes starting in January ... or convincing a friend to do so. Bill, Mike and I will have all the information at the meeting. It's easy to sign up, and you'll learn a lot in the classes while having fun.

See you in December! Jim
