 Freedom Plains Presbyterian Church
 1168 Route 55, Lagrangeville, NY 12540

What a great time we had at the picnic! Perfect weather, a lot of mart activity, tons of visiting with everyone ... and tons of tasty food to go with it. And very interesting items at show-'n-tell. I was not surprised that the last of us didn't leave till mid-afternoon ... and we almost had to be dragged out of the place! ☺ And it was good seeing Chapter 84 members at the National in Virginia. Very enjoyable.

Now it's time for our next meeting on October 9 at the Freedom Plains Presbyterian Church. And for the first time in a long time, we are going to have a presentation on watches. Rob Kunin and Phil Yannone are teaming up to take us into the fascinating world of watches. Believe me all you clock guys, you won't want to miss this one. In my small amount of dabbling, I've discovered that it *is* a fascinating world!

Like at the May meeting we should assume we will have to observe COVID rules: Please bring your own face mask and gloves if you wish to wear gloves. We may ask to take your temperature and ask you several COVID questions at check in and ask you to sign an NAWCC "COVID waiver". We will also have hand sanitizer on hand. Please wear your face mask and maintain a social distance of six feet where possible. However, we will be serving our regular food ... coffee, tea, bagels, muffins.

Other news: The clock classes will be starting on Thursday, September 23 at 7pm at Ketcham High School in rooms 223 and 229 at 99 Myers Corners Rd in the Town of Wappinger. You can sign up for the class when you come in. So if you are looking to brush up on your clock repair skills or just have fun, come on in! And bring friends who are interested in getting into the clock world. If you have any questions just call Bill Clarke, Mike Graham or myself.

See you on October 9! ... Jim
