**Invites You to Attend Our “Picnic in the Park”**  
**=== Sunday, July 17, 2022 ===**  
**James Baird State Park, Shelter #1**  
**Baird Park Road, Pleasant Valley, NY 12569**

What a great time we had at the picnic last year! So let’s repeat it! Sunny, warm weather ... seeing friends from other chapters ... expanded mart ... great food ... and the interesting clocks and stories at show and tell. Yes, it don’t git no better’n that!

As usual, we will be inviting our friends in from neighboring chapters. This is a great opportunity to make some new friends, and to re-connect with some old ones. This meeting always offers a lively mart, so bring in your horological items for sale or trade. Table space is free, but pre-registration is requested.

The program is the traditional “show and tell,” where all are invited to share your horological curiosities with your clock friends. Please consider bringing an item and a story to share.

Our usual continental breakfast will be served, as well as a lunchtime feast of hero sandwiches, salads, and cold beverages. This promises to be a very enjoyable day, so please plan to attend, register early, and bring a friend or two.

And by the way, remember, the National Convention is in Dayton, Ohio, June 23-26, so there’s still time to plan on attending ... what a great experience! And we’ve let Wappingers Schools know that we would like to have the clock classes in the fall. Yes, the clock world continues on!

**Please note: The date is different from the original tentative date of July 9. Also, although we are scheduled for shelter 1, that could change, so be sure to check the sign at the entrance to the shelter.**

I’m looking forward to seeing you there! - Jim
