=== **Saturday, December 14, 2024** ===  
 Freedom Plains Presbyterian Church  
 1168 Route 55, Lagrangeville, NY 12540

Thank you to Jim Burghart for his demonstration of *Glass Gilding and Cutting* at the October meeting. It is a fascinating topic.

It is time once again for our annual meeting and officer elections. Please consider nominating someone to help out our chapter (or stepping up yourself!). Jim Holmgren will give us an update on the Charles Fasoldt Tower Clock in Newburgh. Then we'll have our traditional Holiday show-and-tell, so bring your interesting clock-related items and stories. This will be followed by... LUNCH! Yes, for just an extra \$2.00 you can celebrate the holidays with your horological buddies. The traditional sandwiches and sides will be on the menu. What a bargain!

The clock classes are finishing their fall sessions and will begin the winter sessions in January. Please see Bill Clarke, Mike Graham or Jim Holmgren about attending.

**IMPORTANT:** Please come to the December meeting with workshop topics you would like to see in February. These are not demonstrations, but opportunities for hands-on experience offered by experts to help you with your restoration challenges. Tell us where you need help, and bring your project in December.

Please note that it's time for our annual dues (\$9.00), so kindly include that in your payment below.

See you all next month (bring a friend ...or two.) (Ho-ho-ho!)

--- Chuck
