 Freedom Plains Presbyterian Church  
 1168 Route 55, Lagrangeville, NY 12540

Our April program on the world of watches was fascinating! Many thanks from the members go out to Phil Yanonne for taking the time to educate us on this horological specialty.

The theme of our June meeting will be **Clock Making**. Our multi-talented John Wilman will show us his latest project and talk about his creative process. Then Ken Hurst will show us several of the clocks made by his talented father-in-law, Ray Rio. If you are feeling a twinge of deja vu, it may be because John and Ken shared some of their work with us at last April's meeting. So, John and Ken, thank you for returning with your new projects and stories to share with us!

There is still a need for horologists at the Dutchess County Fair, 8/20-8/25. Please see Bill DiFrenza if you are interested.

Make sure your contact information is up to date! If in doubt, please see Mark Nathanson with your name, address, phone number, and email. It couldn't hurt, and might save you some inconvenience if we need to get ahold of you.

Please note the dates for the July picnic and fall meetings (below).

See you all in June (bring a friend).

(...or two.)
