Annual "Picnic in the Park"

=== Saturday, July 6, 2024 ===

James Baird State Park, Shelter #1

Baird Park Road, Pleasant Valley, NY 12569

Thank you again to John Wilman who shared some very impressive work on his latest clock movement. We look forward to seeing its completion. Also, thank you to Ken Hurst for sharing some of Ray Rio's projects. I enjoyed seeing his work and remembering our old friend, and what an honor to have Ray's daughter Carol there as well!

Congratulations to Chapter 84 member Al Mack for his 50th anniversary with the NAWCC! He is truly an asset to the association and to our chapter.

IT'S PICNIC TIME!!! As usual, we will be inviting our friends in from neighboring chapters. This is a great opportunity to make some new friends, and to re-connect with some old ones. This meeting always offers a lively mart, so bring in your horological items for sale or trade. The program is the traditional "show and tell," where all are invited to share horological curiosities with your clock friends. Please consider bringing an item and a story to share. We are scheduled for shelter 1, but that could change, so be sure to look for the sign at the shelter entrance.

Our usual continental breakfast will be served, as well as a lunchtime feast of hero sandwiches, salads, and cold beverages. This promises to be a very enjoyable day, so please plan to attend, register early, and bring a friend (or two).

Now's the time to be thinking about taking one of our outstanding clock classes, either basic class or advanced. They will be starting in late September. More info to follow, or contact Jim Holmgren, Mike Graham or Bill Clarke with any questions.

I'm looking forward to seeing you all! - Chuck

Schedule: *Table Set-Up 8:00; Mart 9:00; Show & Tell 11:00; Lunch 12:00*

Future Meeting Dates: *October 19, December 14*

Register today and save! Registration is \$17.00 in advance, \$20.00 at the door, \$7.00 for 12 and under.
